Wow! It's unbelievable how they're attacking you and your family. So sorry you're going through this. As a mom myself, there would be no stopping me if someone did this. ❤️

I think for one, SCN needs to realize in quite a few places weed is legal anyway. But to be so obviously scheming. Disgusting humans, not at all a higher evolution. A bunch of malicious delusional zombies

Yeah, go ahead a plant some weed in our home in California where weed is legal.

🤔 But breaking into someone's home is illegal and might get you shot.

Chrissie stay strong. If you haven't already get security cameras all over your house. Get a firearm and learn how to use it. When crazy's coming at you you must be stealth

Whoever sent this is not right in the head. Twitter needs to step up and hand all these over to the police. Today. Meantime, know it's being done to upset you enough that you and the other's charges will magically "disappear". But you are all still here. And so are we all.
